Trump shares AI video of Gaza vision featuring golden statues, bearded belly dancers and Netanyahu on a sunbed

The footage, which the 78-year-old shared without comment, shows

the war-ravaged territory transformed into a Middle Eastern paradise with exotic beaches, Dubai-style skyscrapers, luxury yachts and people partying - including Elon Musk.

Makow--The Jewish Disease is Asperger's, the inability to consider other people's interests as equal to your own. Trump sees the dispossession and genocide of Palestinians in their ancestral homeland as a real estate proposition. How would he feel if a tribe of Seminole Indians repossessed Mar a Lago saying they lived there 2000 years ago!

Friedrich Merz congratulated by Chabad

Reader--"The minions of the Devil like Mr Merz, Henry. Yes, Merz will push the conflict with Russia for them.

Amazing Satanic inversion, isn't it? People from 100 years ago simply wouldn't believe it: "Christians" praising Judaism."

Germany to Become First Country Run by a Former BlackRock Exec

Millionaire Merz is a corporate king in conservative clothing

"As Werner Rügemer, author of *BlackRock Germany*, explains, at Mayer Brown Merz helped facilitate deals that promoted the interests of US capital in Germany, encouraging American investors to buy companies in the Federal Republic. The result was the sale and restructuring of thousands of German firms, which involved slashing jobs and freezing wages -- an approach openly praised by Merz in his book *Dare to Be More Capitalist*."

Analysis - Deagel's Population Collapse

What we know so far is that we seem to be headed that way!

<https://talknet.substack.com/p/analysis-deagels-population-collapse?>
(<https://talknet.substack.com/p/analysis-deagels-population-collapse?>).

Link to Deagel's Projections - "While Deagel's 2025 projections may appear out of time, the trends observed since 2020 make it plausible that such a dramatic population decline could take place by 2030. The key factors influencing this decline include excess mortality, declining fertility rates, and an economic downturn caused by a shrinking, aging population. The rise in sudden deaths, primarily from vaccine-related complications, combined with the ongoing decline in birth rates, suggests that Deagel's forecast may indeed be correct, albeit with a delayed timeline."

The plan is simply to shift control of the world from the Western globalists to the kabbalists. They want global Talmudic rule from Jerusalem."
